THE ONLY INTERNATIONAL TRADE
MEDIA SOLELY DEDICATED TO SPIRITS

A central image of a glass filled with whiskey and ice, with a dynamic splash of liquid rising from the glass. The background is a solid, vibrant orange color. The glass is a classic rocks glass with a textured, faceted design. The liquid is a golden-brown color, and the splash is captured in mid-air, creating a sense of movement and energy.

MEDIA PACK 2026

A NOTE FROM THE EDITOR-IN-CHIEF

As the world's only international trade publication dedicated to spirits, *The Spirits Business* takes pride in bringing you nothing but the highest-quality journalism

The funny thing about working in media is that time often feels as though it's stuck on fast-forward. We're constantly looking ahead, planning future issues of *The Spirits Business* long before they reach our readers, and then, in what feels like the blink of an eye, another year has already raced by. What's become apparent in recent years is the spirits industry never really slows down – and neither do we.

From investments, mergers and acquisitions to exclusive interviews, in-depth category analysis, data and industry trends, *The Spirits Business* remains unrivalled in keeping the trade informed with need-to-know news.

As the world's only global trade publication dedicated solely to spirits, we take pride in keeping the industry informed with timely, essential reporting. Our award-winning journalists go directly to the source to deliver the most accurate and relevant updates from around the world.

There are many ways to stay connected with the latest industry developments: our monthly print magazine, www.thespiritsbusiness.com, our daily global newsletter, our US-focused newsletter, and our app. In 2026, our readers can expect further deep dives into individual spirits categories and regions, in addition to insightful features and stories about the on-trade, which are covered in the Back Bar section of the magazine.

Furthermore, we offer a number of in-depth reports throughout the year to give additional insights to the trade. These include the *Global Travel Retail Report*, *World Spirits Report*, and *Global Bar Report*. Most notably, our *Brand Champions* supplement, compiled in-house by *The Spirits Business* editorial team, offers extensive analysis about the world's million-case-selling spirits brands. Plus, we offer compelling interviews on *The Spirits Business Podcast*.

In addition, our experienced events team strives to reward the best spirits on the market through The Global Spirits Masters Competitions, a blind-tasting series judged by independent tasters – unique in the industry.

I'm proud to chair The Global Spirits Masters Competitions – and to lead our talented editorial team at *The Spirits Business*. We are unwavering in our passion for the industry, and dedicated to providing the most interesting and useful articles for the global trade. We are well-equipped and excited to work with our media partners to help you reach your goals in 2026.
